Guidelines for Free Papers and E-Posters

1. Each presenter will be allotted a total of 8 minutes — 6 minutes for presentation and 2 minutes for discussion.
2. A maximum of 7 slides is allowed, including the title slide.
3. No awards will be given for free paper presentations. However, the organizers reserve the right to recognize outstanding presentations at their discretion.
4. Registration for the conference is mandatory for all presenters.
5. No TA/DA or other allowances will be provided to the authors or presenters.
6. Each E-poster must be presented as a single slide, including the following sections:

- Title
- Aims and Objectives
- Material and Methods
- Results
- Conclusion
- Discussion
- References (if any)

7. The time slot for E-posters will be the same as for free papers (8 minutes: 6 minutes for presentation and 2 minutes for discussion).
